In response to your note of 31 August 1983, conveying the DDCI's concern about our involvement in narcotics intelligence, attached is the draft frame of reference for the Narcotics Working Group Panel, plus a membership list. Note that both Office of General Counsel and Office of Security are represented. The thrust of the group's charter is to establish policy to protect intelligence sources and methods while devising procedures to allow the flow of intelligence information to assist both in the interdiction of the narcotics flow and the prosecution of dealers.
